To ensure complete transparency, the report also includes a detailed financial breakdown. Donors will find a clear summary of how contributions were utilized across our key areas:

- Food & Lodging
- Teacher Salaries
- Construction & Infrastructure Development
- Administration & Operational Needs
- Verified Bank Details for Donations

Food & Daily Meals: ₹11,47,941

This amount covered nutritious meals for our students—especially orphan and underprivileged children who rely entirely on the Madrasah for daily food and care.

Teachers & Boarding Staff Salaries: ₹900000

This includes stipends and honorariums for our dedicated teachers and boarding staff who provide continuous supervision, Islamic education, and Hifz training.

Administration:

At Ashrafia Madrasah, no one receives a salary for administrative work. All administrative tasks—including management, accounting, and supervision—are done voluntarily “fi sabilillah” (for the sake of Allah).

100% of donations are used directly for students, orphans, and essential operations, not administration.

Sponsor One Child – Make a Real Difference

Every orphan and underprivileged student at Ashrafia Madrasah depends entirely on your support for their food, lodging, and education.

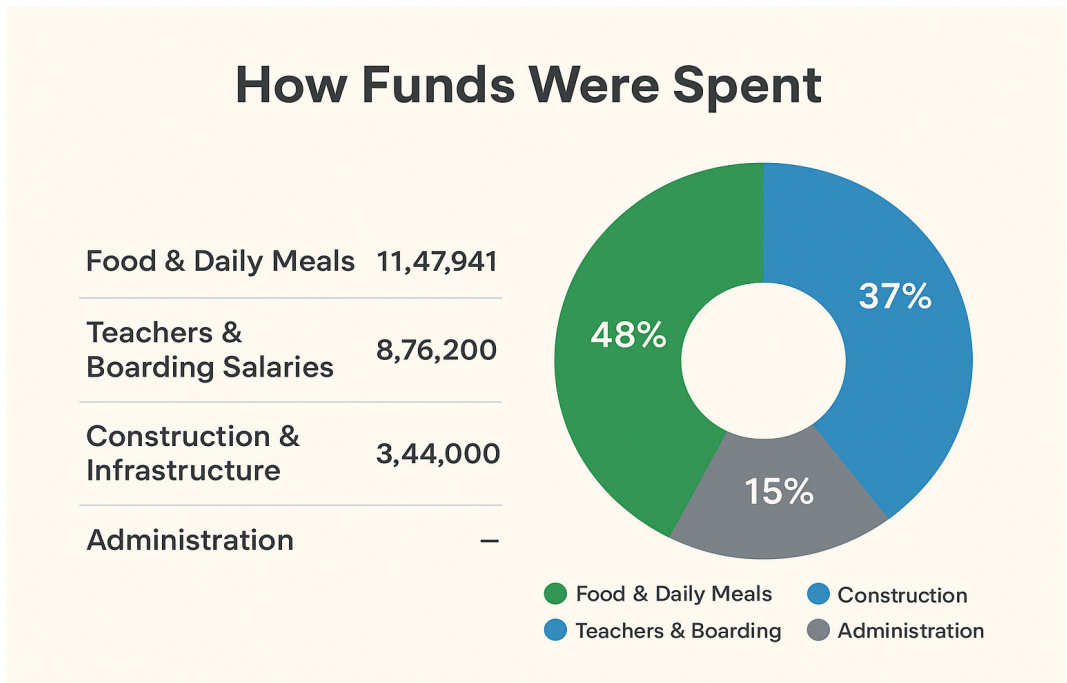

Cost to Support One Child:

- **Monthly:** ₹5,000
- **Annual:** ₹60,000

Your contribution covers:

- Nutritious meals and daily essentials
- Safe boarding and accommodation
- Islamic education, Hifz training, and general studies

By sponsoring a child, you become a direct part of their growth, learning, and spiritual development. Every Taka you donate goes **100% to the child**, ensuring they receive proper care and education, while administrative work is fully managed by volunteers.
